

How to Print a copy of your state license certificate:

1. Go to the web address of www.nipr.com
2. Go to the "The Licensing Center"

Other Helpful Tools in the Licensing Center

State Contacts & FAQs · Look Up My National Producer Number · Get My CE Requirements · Print My License · Check Application Status · Print Application Receipt

[Go to the Licensing Center](#)

3. Scroll Down to "Other Helpful Tools"

 **Printing Your License**

Hard copies of licenses are issued by the regulating state. You will be redirected to the licensing state website for information on obtaining a copy of your license:

Select Licensing State

Select State ▼

[Go to State Website](#)

4. Select the state in which you are appointed.
5. Click on "Go to State Website"
6. Each State has specific requirements that will need to be completed and may have a small fee for printing a copy of this license.
7. Once you have the copy of your license please email to licensing@fegcorp.com or fax to 619-870-0212.
